

Powder Mill Foundation

2020 Grant Evaluation Form

Grant Program Specifics:

Organization:

Name of Project:

Amount Awarded:

Grant Description:

Grant Questions:

- 1) We rely on your candid grant reports to assist us in our grantmaking. Please give us your honest thoughts about the short-term results and the longer-term potential of the project, program or work for which funds were granted.

- 2) We are just as interested in what *didn't work* as what did. Your candor will not have punitive consequences; while we understand the wish to focus on successes, we respect the insight involved in also sharing hard lessons learned.

Summary:

Please provide a summary of project activities completed. If there were any changes to the scope of your project design that was submitted with the grant application, please indicate those changes here.

Budget:

Please submit the original program budget and the actual program budget.

Please comment on differences between the proposed and actual budget.
